

East Otter Tail County Breakfast on the Farm

Scholarship Description and Requirements

The purpose of the EOT County Breakfast on the Farm scholarship is to assist students who either are from an active farming family or pursuing a career in the agricultural industry or a career that would benefit the agricultural industry if not directly related.

Requirement:

1. Current seniors in Frazee High School, Henning High School, New York Mills High School, Perham High School, or equivalent home-school base (student residences) located in Becker, Otter Tail, or Wadena Counties of Minnesota.
2. Active farming is defined as 60+ acres of crop or animal production either owned or leased. If active farming status is questioned, the committee reserves the right to request supportive documents. The location of the farm is not relevant but must be immediate family.

Applicants will be scored in various areas. This is not solely merit based, extracurricular activities and general passion for the ag industry is highly weighted.

A scholarship essay explaining why you picked the field of study or major that you are striving for, this not required but encouraged. As it gives the committee insight into your character that the merit portion won't cover.

Application deadlines March 15th

Available: 4 - \$250 scholarships

Scholarship applications are available online at www.eotbreakfastonthefarm.com
